LIGHTING

NELLA

Style and simplicity for residential streets, parks, pathways and building surrounds

URBAN LIGHTING MADE SIMPLE

WITH ADJUSTABLE LUMEN OUTPUT AND EASY INSTALLATION

Thorn's Nella is a great value LED post-top lantern designed for applications including residential streets, pathways and building surrounds. Featuring a contemporary design that will look attractive in urban areas, Nella is respectful of the environment with a 3000 K colour temperature and no upward light (ULOR < 1%).

A simplified manual dimming switch enables a choice of four lumen settings during installation. Reinforcing the easy setup, the casing has a tool-free opening and is pre-wired.

A CHOICE OF TWO OPTICS:

Rotational
Symmetrical (RS)

Asymmetrical
Street (STR-A)

STYLISH AND DURABLE

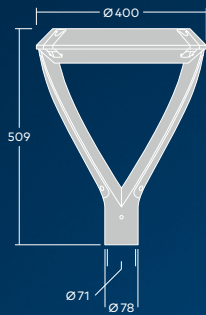

Tested to achieve IK08 shock resistance and featuring C3 corrosion protection, Nella's canopy and brackets are made from resilient die-cast aluminium and the enclosure made from tempered glass. The product lifetime is rated at 70 000 hours (L80B20) and an integrated surge protection device shields the luminaire from unwanted current fluctuations, adding to the durability.

Finished in a powder coated anthracite, Nella is sure to look stylish in your installation.
